## PLAY TOUGH. PLAY THE CREEK.

Mill Creek Golf Course features two 18-hole championship courses designed by Donald Ross that opened to the public in 1928. Both courses are par 70 with four sets of tees, stretching from 5095 yards to 6511 yards. The South Course plays over a flat terrain with tree-lined fairways. Natural areas and streams come into play on five holes. The South Course has been selected by Golfweek as one of America's 30 Best Municipal Courses. The North Course weaves through tall trees and includes a variety of natural hazards.

There are over one hundred bunkers to avoid at Mill Creek Golf Course. Golf Course Architect Donald Ross once said, "There is no such thing as a misplaced bunker. Regardless of where a bunker may be, it is the business of the player to avoid it."

Nestled in the beauty and splendor of a park setting, Mill Creek Golf Course continues to challenge the skills of golfers at all levels.
