~Empowering women to create community~

Alice's Table brings women together to learn new skills, and live a social and creative lifestyle. Our goal is to be the bright spot in the modern busy woman's life - the thing she looks forward to at home and on the town. Modern women don't have time to be Martha, they need lifestyle delivered.

**Have you ever wanted to learn how to make those beautiful flower arrangements that you see at the florists? Meet at the HBA office on Tuesday May 22<sup>nd</sup> for a delightful evening of flower arranging, beverages, appetizers and networking with ALICE'S TABLE!**

**COST: \$65 includes instruction, vase & floral arrangement Sangria & appetizers too!**

**(\*All registrations will be billed. Payment due before the event or that evening\*)**
